Worsley E.S. - Tuesday, September 15th, 2009

or

Ferndale Woods E.S. - Wednesday, September 16th, 2009

Times are: 4:30 - 7:30 p.m.

This workshop is designed for classroom teachers grades 1-8, and special needs teachers who are searching for hands on, problem solving activities that match curriculum and NCTM standards.

Participants will experience a classroom model in action, ranging from Whole Group to Small Group to Independent Activities.

Participants will learn: how to use games as a teaching strategy & why this powerful strategy works; classroom and resource management ideas; curriculum/problem solving connections, strategies for implementation; a selection of appropriate grade level games through hands-on play; how to translate current curriculum recommendations and guidelines into actual classroom practice.

REGISTRATION FEE IS \$10.00 (PAYABLE ON REGISTRATION)

To register call 728-2888

or 1-800-746-2633
