

Here's how members of the education community can financially plan for their futures

Between preparing lesson plans to participating in extracurricular activities, it can be hard to find the time to learn about your personal finances.

But financial planning is essential to your long-term well-being, and with proper planning, you can reach your financial goals in the most efficient way possible.

Here are a few key things you should know about financial planning and taxes ahead of the RRSP and tax deadlines: <https://bit.ly/40U4XjM>.
